Discussion

1. In reference to Romans 5:12, how have you limited your sins in the past or perhaps even in the present? Why do you think you do this?

(1. We use cute little words to replace it, 2. We limit it to those instances when we hurt others
or 3. those times we do something contrary to our nature and will.)
2. How can Psalm 51:3-4 help you overcome the tendency to limit the severity of your sin?
3. The sermon mentioned Psalm 51:5 and pointed to it as proof that we are all born sinful. Discuss your thoughts and the evidence you see of this truth in your life and others.
4. Discuss the meaning of Ephesians 2:1.
5. What hope do spiritually dead sinners have? (See Eph. 2:8).
