- t_Sync is our discipleship process at the church. It expresses itself in three ways. 1) The Systematic Theology Class on Tuesday night at 5:30p is growing, if you would like to join, talk with any of the pastors. 2) Wednesday nights starting at 6:15 for adults, kids, and youth. 3) One-on-One discipleship with a core leader. Get involved in at least 1 expression of discipleship.
- We have had an amazing response to our call for help with service teams! Thank you Grace Hill Church for being faithful to serve.

Discussion

1. Are you guilty of believing that God's love and His salvation is something you have to work for and earn?
2. Here's how you can tell your perception of salvation is earned. When you sin, and we all do; but when you sin do you "make up for it" by promising God to do something good instead of repenting and resting in His promised forgiveness as seen in I John 1:9?
3. Do you compare yourself to others and think: "At least I'm not like what's his name." or "God must love me more than him."
4. When you do something good, like read your Bible or go to church, do you feel like God "owes" you something?
5. Are you guilty of over estimating your own righteousness? Do you think you better than you really are?
6. What is the difference between speaking the truth in love and being judgmental?
