## Discussion

1. Have you ever felt that you are too far gone to return to the Lord? How did this sermon help you to see that it's never too late to return to God in repentance?
2. Have you ever fasted? What was your experience? How might this fast enable you to return to God?
3. What do you think of participating in a "solemn assembly?" How might it cause us as a church to return to the Lord?
4. Read Joel 2:13. What is it about God's character that encourages you to return to Him?
5. Read Joel 2:14. Obviously God is not obligated to withhold His judgment of sinners or discipline from His wayward children. What hope do we have that He will in fact withhold judgment and discipline?
